(1) Cancellations received more than 21 days prior to a course will receive a 75% refund of the fee paid. Cancellations received less than 21 days prior to a course will receive a 25% refund of the fee paid. Non attendance will not entitle the registrant to a refund. (2) Transfer to a later or future course. If a registrant makes a cancellation and requests a simple transfer to a future course at the fee already paid . . . this will not normally be arranged. In general, a cancellation cannot be transferred (at the fee paid) to a future course because places cannot be filled at short notice. However, the timing of the cancellation is important. Our transfer policy is as follows : a) a cancellation - with a request for a transfer to a future course - which is received more than 28 days prior to the course will be transferred; b) any registrant making a cancellation – for whatever reason – less than 28 days prior to a course will not be transferred to a future course ( at the fee already paid ) and, instead, the registrant will receive the % refund as per (1) above. (3) Returned cheques will incur an administration charge of £15.
