

The *'hands on'* Chest HRCT Course

Venue : Medical Education Centre, Northwick Park Hospital, London

Lead teachers : Dr Sujal Desai (King's College Hospital) &
Dr Simon Padley (The Royal Brompton and Chelsea & Westminster Hospitals).

Programme

The Objective : *to test yourself in HRCT interpretation.* **Course Design :** *four sessions during which YOU analyse cases at an individual workstation. Interactive answer periods. No embarrassment : your analyses are known only to you.*
