

The Practical Course in Acute Abdominal CT Interpretation

Venue : The Medical Education Centre, Northwick Park Hospital, Harrow.

Lead teacher : Dr Simon Morley (University College Hospitals, London)

The Programme

- **The objective :** *to test yourself on your accuracy in CT evaluation*
- **The emphasis :** *YOUR analyses followed by to-the-point clarifications*
- *5 - 6 cases in each session. You work at your own individual workstation*
- *Answers and learning points during each interactive explanatory period*
- *No embarrassment. Your assessments – these are known only to you*
- *Questions welcomed, problems clarified, discussion encouraged*
